PROFIT GUIDANCE FOR THE FIRST HALF YEAR ENDED 30 JUNE 2022

The Board of Directors (the “**Board**”) of Hiap Hoe Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to announce that following a preliminary assessment of the Group’s unaudited financial statements for the first half year ended 30 June 2022 (“**1H2022**”), the Group expects to report a loss for 1H2022 as compared to a profit in the corresponding period for the previous financial year.

The expected losses are mainly due to the fair value changes in financial instruments arising from the Group’s investment portfolios due to weaker market sentiments.

Further details of the Group’s financial performance will be disclosed when the Company announces its unaudited financial results for 1H2022 on or before 12 August 2022.

Shareholders and investors are advised to act cautiously when dealing in the Company’s shares. If in doubt about the action that they should take, shareholders and investors should seek advice from their stockbrokers, bankers, solicitors, accountants, tax advisers and/or other professional advisers.
